DO NOT COOK IN THIS TRAY.

For a firmer texture let it rest 2 minutes before serving. Check with thermometer.

For all cooking methods internal temperature must reach at least 165°F or greater.

GRILL: Lightly oil or spray burger, medium heat away from flame, flip 2-3 times for 15-20 minutes.

OVEN: Place on suitable sheet, bake at 350°F for 15 minutes.

STOVE TOP: Lightly oil pan, cover, size medium heat flipping 2-3 times until desired texture is reached - approximately 10 minutes.

MICROWAVE: 90 seconds on high. Due to variations in microwave ovens, cook times may vary.

Form Patty to about 1/2" thick.

4 oz. RISOFU® Burger Cooking Tips

Recipe Ready - Equally Replaces Meat

PURE AND SIMPLE NEW FOOD DISCOVERIES ARE THE BEST, AGREE?

RISOFU® (thee-ZOE-foo) was created from a curd made from pure wholesome rice (not soy) and we believe that makes food better for you with a better taste and wider grain nutrition.

RISOFU® is the world's first rice-based meat alternative™ and all about YOU! No more settling for whatever comes in a bag or box pre-made. You choose the seasoning. You choose the shape. You create your perfect meal. Oh, by the way if YOU like, at 97% Fat Free, there is plenty of room to add back what you love - Like cheese or blending other meat or vegetables - whatever you want, for that special diet, personal touch and deliciously creative meal.

GO CREATE...endless possibilities!
